# About us

Particular-Sound was founded in 2002 by Ingo "Traumatic" Nasse and Frank "Xenox" Neumann.

We started Particular-Sound with the idea, to help companys working on there synthesier and / or to make sample content for their products / releases.

On our list are big companys like Yamaha Europe, Native Instruments, Waldorf, reFX, LinPlug Virtual Instruments GmbH, Ableton, MOTU, Sugar-Bytes to name a few.

If you need sample content, presets or any other stuff for your release, don't hestitate and get in contact with us through our website or drop a mail to:

[frank@particular-sound.de](mailto:frank@particular-sound.de)

Ofcourse you can license samples, Loops or presets from us. More infos about our work, demos and videos are on our website:
